January 15, 2001 = Holiday)

**RESPONSE TO RESTRICTION REQUIREMENT**

Hon. Commissioner of Patents  
Washington, D.C. 20231

Sir:

In response to the restriction requirement under 35 USC 121 as set forth in the Office Action dated December 13, 2000, the applicants hereby elect without traverse, Group III, containing claims 1-37, 39-46, 50-51, 55 and 57, drawn to a method of inducing an immune response to a bacterial agent.

In response to the Examiner's request that the applicants elect a method of pretreatment comprising a specific adjuvant, the applicants elect chemical pretreatment methods using ADP-ribosylating exotoxin.

**GLENN - Application No. 09/257,188**

The applicants submit that the above election is responsive to the Office Action.  
Favorable consideration of this application is respectfully requested.

Respectfully submitted,

PILLSBURY WINTHROP LLP
